But what does it mean to you?

Masterfully crafted furniture, made in Italy, Germany, Spain, and Norway, built to last.

A wide range of options to suit different architectural plans, price points, and personal preferences.

Access to globally sought-after brands that set new standards in design and innovation.

Inspiring pieces of furniture, timeless in appeal, that elevate the character of their chosen space.

That's SO FA, SO GOOD.

NOW, 24 YEARS RUNNING.

With padded arms, smooth curves, and a supple seat, the STRESSLESS Kensington recliner is an invitation to pure relaxation. Featuring an adjustable headrest for custom support, and available in a variety of premium leather colours.

LIVING

MOLTENI&C . PIANCA . REFLEX
 KOINOR . NATUZZI ITALIA
 NICOLETTIHOME . CALIA ITALIA
 FAMA . W.SCHILLIG . BECKER

Quirky singles, grand sectionals or motion sofas – our extensive sofa collection has it all, with a wide range of options in colour, material, and configuration. The living collection also includes wall units and accessories, ensuring your space is as welcoming as it is elegant.

Watch the video

Designed by Vincent Van Duysen, Augusto by MOLteni&C now features innovative curvilinear pieces for a compelling modular sofa system. The timeless design of its soft, deep seats prioritises comfort and sophistication. Available in a range of MOLteni&C fabrics curated by designer Marta Ferri.

The Memoria sofa, designed by Karim Rashid for NATUZZI ITALIA. With soft curves and sinuous lines inspired by the Apulian landscape. A contemporary take on Natuzzi's iconic enveloping contours.

Watch the video

Teseo is an innovative, new modular sofa program by FAMA, featuring a patented "Cloud Seat" system that provides the sensation of sitting on a cloud.

New: Teseo O, an octagonal-shaped armchair

The award-winning **Schwof** by KOINOR, with 360° manual rotation, laterally movable seats, and luxurious upholstery, is perfect for relaxation and socialising. Available in a variety of woods and finishes, plus optional features like a rotation stop and forward seat movement.

Drusilla by CALIA ITALIA, with its unmistakable 70s style, is perfect for any living space. This lounge chair features an egg-shaped silhouette, pin legs, and cosy seating. Available in over 100 shades and made of both leather and fabric.

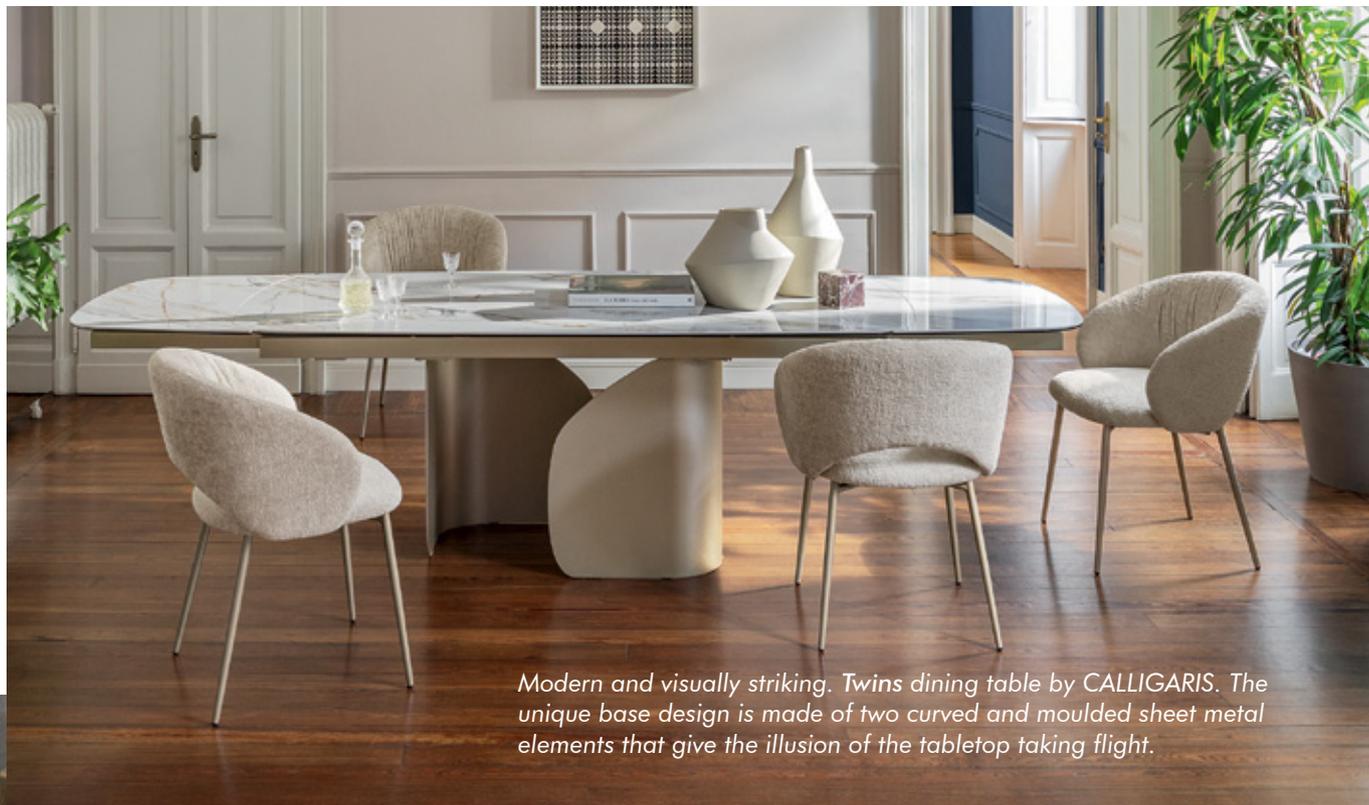

Softy chaise longue by W. SCHILLIG. A design-oriented piece available in various metal colours for the legs and different seat and overall heights.

DINING

MOLTENI&C . REFLEX
CALLIGARIS . BONALDO
TONIN CASA . ALF ITALIA

An interplay of rich textures and materials, these are dining tables (fixed and extensible), chairs, dinner sofas, and cabinets with striking designs and flamboyant finishes. All available in a wide range of options.

Modern and visually striking. Twins dining table by CALLIGARIS. The unique base design is made of two curved and moulded sheet metal elements that give the illusion of the tabletop taking flight.

The Plume console, Dorian mirror, and Adone dining table by TONIN CASA. Exemplifying the brand's commitment to innovative design and high-quality craftsmanship.

The Petalo 72 Acqua by REFLEX. Crafted from Acqua glass in a variety of colours, it features an extra-clear curved glass base with luxe internal finishes. Customisable in size, it's an elegant, modern centrepiece for any dining room.

BEDROOM

MOLTENI&C . PIANCA . REFLEX
NATUZZI . CALLIGARIS
BONALDO . ALF ITALIA

Nobody hits snooze on great design. Discover beds with dreamy upholstery and shapely headboards, and meticulously crafted drawer units, cabinets, and accessories. A few are centrepieces in their own right.

Cala by NATUZZI ITALIA combines style and functionality with its elegant headboard featuring vertical stitching. Available in various sizes and upholstery options, and with convenient features such as an optional secret storage box.

Embrace by PIANCA. Curved headboard for a warm and inviting feel. Available in a variety of fabrics and leathers, and even a version with a built-in storage base.

WARDROBES

MOLTENI&C . PIANCA

Patented technology. Invisible mechanisms. Hushed sophistication. These wardrobes and walk-in closets enliven the homes of those who appreciate cutting-edge craft, technique, detail, and beauty.

Designed by Vincent Van Duysen, Gliss Master by MOLteni&C is a high-end, customisable wardrobe system featuring the patented Sistema 7 folding door mechanism. Available in a variety of finishes with customisable interior accessories, it can be used as a standalone wardrobe or as part of a walk-in closet system.

KITCHEN

MOLTENI&C . SCHULLER
NEXT125

Award-winning, statement kitchens made in Italy and Germany. Designed by renowned architects and designers. Emotive and elegant spaces, at the core of which lies cutting-edge innovation. From three of the world's most distinguished kitchen brands.

Designed by Vincent Van Duysen, the iconic Ratio kitchen by MOLTENI&C is reintroduced with interesting features: new floor bases, slatted doors, and integrated lighting for an elevated experience. Mediterranean in essence, the design alternates between thermo oak and sophisticated natural stones.

RECLINERS

STRESSLESS . KOINOR . NATUZZI
FAMA . W.SCHILLIG

Read a book, watch a game, work, or take a nap – explore recliners designed to move fluidly. With your body movement, a lever, or at the touch of a button. Wide options in colour and upholstery available.

Indulge in intuitive comfort. Yoko by KOINOR effortlessly transitions from upright support to reclining with a touch, cradling your body in every position.

The Simone electric recliner by FAMA, featuring a bold 70s-inspired high back and diamond-tufted design, combines vintage style with modern comfort.

OUTDOOR

EZPELETA . MOLteni&C
PIANCA . CALLIGARIS

The latest collection of chic outdoor furniture from Europe. Crafted by specialists, these are unique, functional, and environmentally-friendly designs for the garden, the poolside and beyond.

The Levante outdoor furniture collection by PIANCA, designed by Pier Luigi Frighetto. A versatile and extensive line of weather-resistant modular pieces, which can be configured in multiple variations. Complemented by the Eolo outdoor table.
